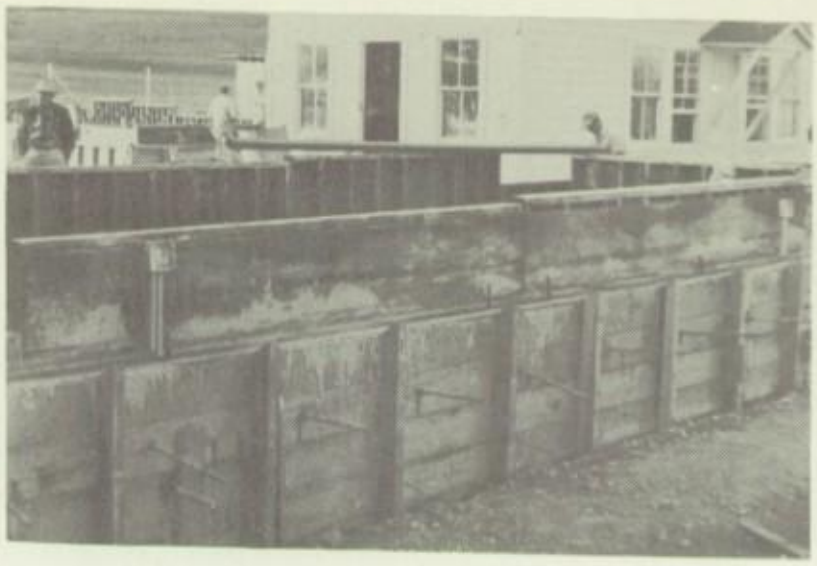
May the students of Elk Creek High look back upon this book with the fondest memories of their high school days.

1292224



Foreword

The reconstruction of Elk Creek High School was undertaken late this winter after a series of delays. It is gratifying to observe new structures replacing the destructed and out moded ones.

The prevailing atmosphere is one of a fresh reawakening of interest for a new Elk Creek High School dedicated to education through the medium of proper facilities.

To those teachers and students who so deservingly are to utilize these new facilities may we say: "Employ them well, for you know what it is to be without them."

Dedication

1292224

Dedication

Mr. Silvers, in behalf of the annual staff of 1954, we are honored to dedicate this annual to you. You have rendered many services to the class of '54 as well as preceeding classes, for this the community as a whole is indeed grateful. You have served on the school board, attended our various school parties, and given baccalauriate sermons which are some of your most appreciated efforts. However, the duties you have performed, perhaps unnoticed, have contributed a great deal to this community. By this dedication we hope we have in some way illustrated our deep appreciation of your work.

Senior Class History

We entered Elk Creek High four years ago feeling proud and mighty until we heard of the on coming initiation. Nevertheless, we survived the traditional lipstick, etc. including the Freshman Reception, that the Sophomores so willingly provided. After this, we got down to the business at hand and elected class officers.

Our second year the initiation pleasure was all ours. This was topped off with the Freshman Reception which was very successful. Having gotten into the swing of high school life we were able to cope with arising problems.

Now, as Juniors, we joined the higher society of upperclassmen! We raised money in various ways and with our savings we gave our first formal dance--the Junior-Senior Prom. "Wishing" was the theme of our Prom that was held in a hall which was decorated with a large wishing well in the center of the floor.

This, our last year, we raised money by selling Christmas cards. With this money we gave our last dance--the Christmas Party with the customary banquet preceeding the dance.

The days were happy ones as graduation drew near. The Senior Sneak Day was observed in the traditional manner as was the exchange of announcements and pictures.

Yearbook Staff

This year our staff consisted of five members, two of which served last year.

We started selling ads in September. Our advertising manager did a very fine job as we sold enough ads to enable us to pay for our year books.

Our photographer, with the help of three others, supplied us with more snaps than we have had in any previous annual. I am sure we agree he has done an excellent job.

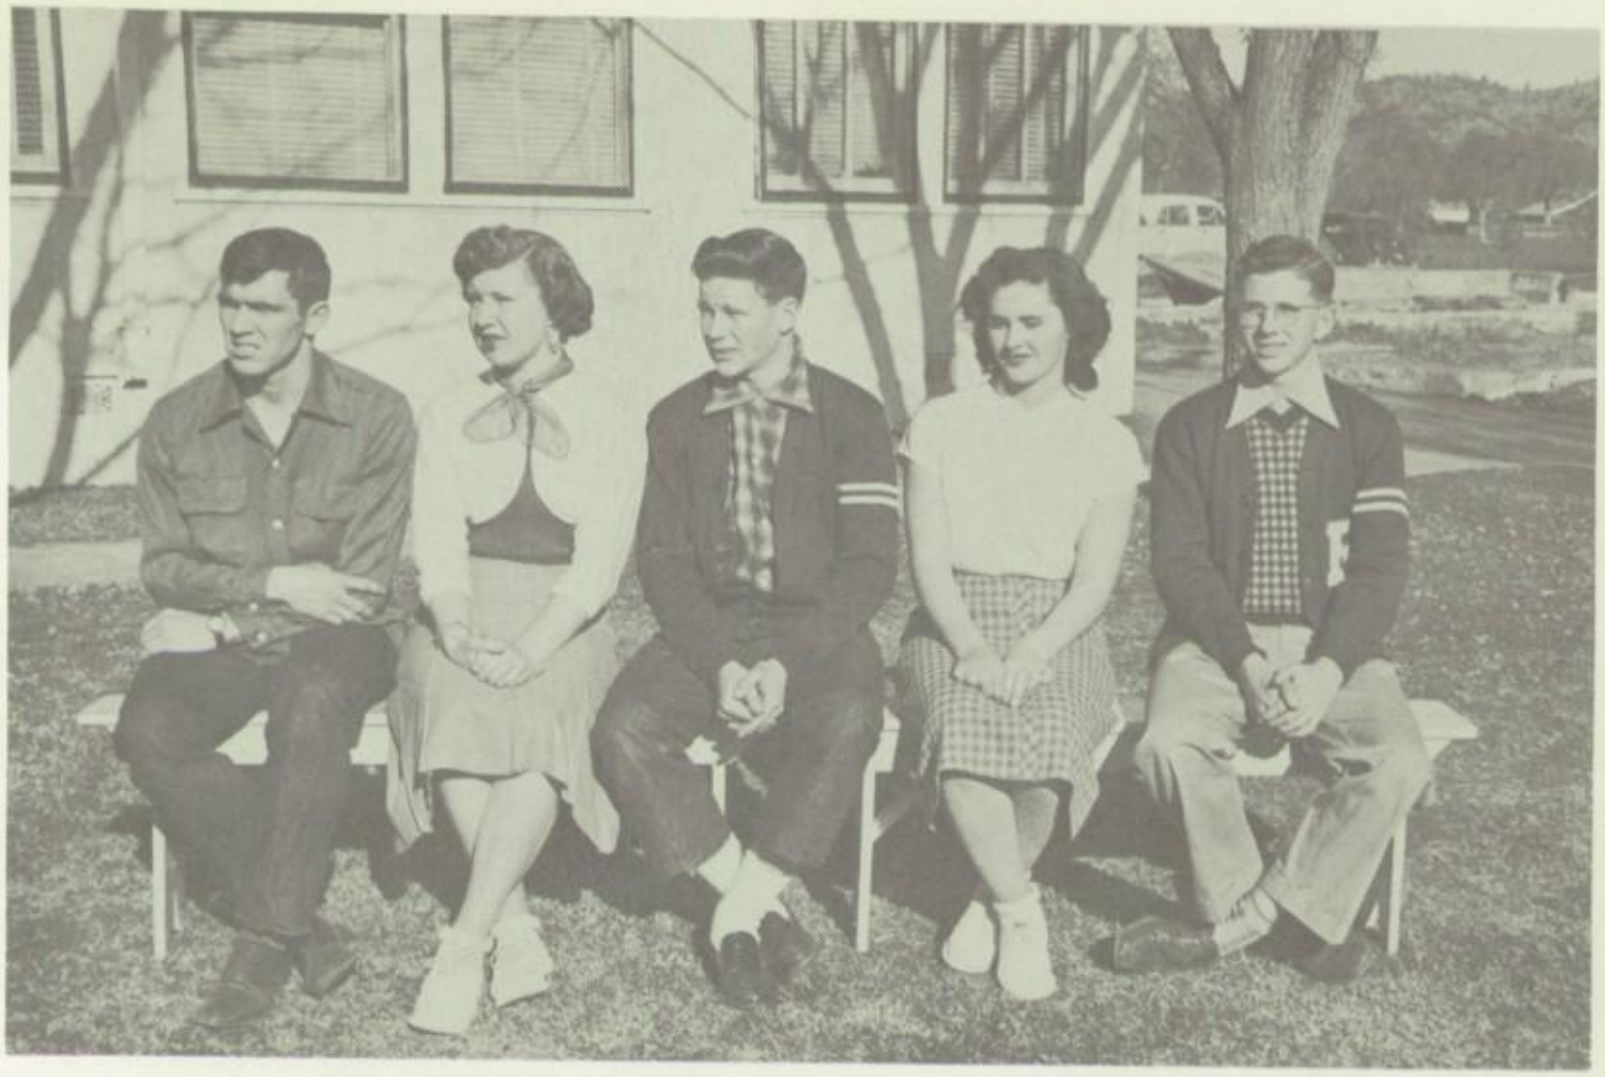
The assistant editor will be in charge of next year's annual and I am sure she will do a good job because of the help she has given us this year.

The business details--correspondence, etc.--were satisfactorily handled by our business manager, who also helped with the typing.

Our advisor, Mr. Mirande, has helped us a great deal by correcting all the layouts before they were shipped.

We have all worked together to try and make this the best annual ever and I hope we have succeeded.

Radona Tankersley
Editor



Bill Lambert, Nelda Mackey, Jerry Yarwood, Margaret Sutliff, Glen Gillaspy.

Newspaper

The school paper, the Hi-Times, had a membership of five during the fall and four during spring semesters. Papers were published on an average of three a month.

Jerry Yarwood was editor in the fall and Nelda Mackey is to be commended for her fine work as editor during the spring semester. Glen Gillaspy, as art editor, proved a great asset to the paper and Mr. Mirande, the advisor, is to be thanked for his help and co-operation.

Many compliments have been received in regard to the paper and we hope we can continue to meet the reader's expectations.

Dance Band

The dance band, that was organized here last year, is progressing wonderfully at present. The band includes eleven members and its instructor, Mr. Mirande.

We have played for two dances thus far this year and hope to play for many more in the future. We have received many nice compliments on our playing which makes us try all the harder to do our best.

A-Team

This years squad started out strong by winning their first game with Kelseyville and holding the strong Williams championship team to a 34-24 score. Still hard fighting, the Elks were defeated by Wheatland in a close contest. Then traveling to Durham they picked up their first league victory of the year. Hard hit by injuries the Elks were unable to defeat any of the remaining teams but still played hard.

Next year we will have a lighter but more experienced team.

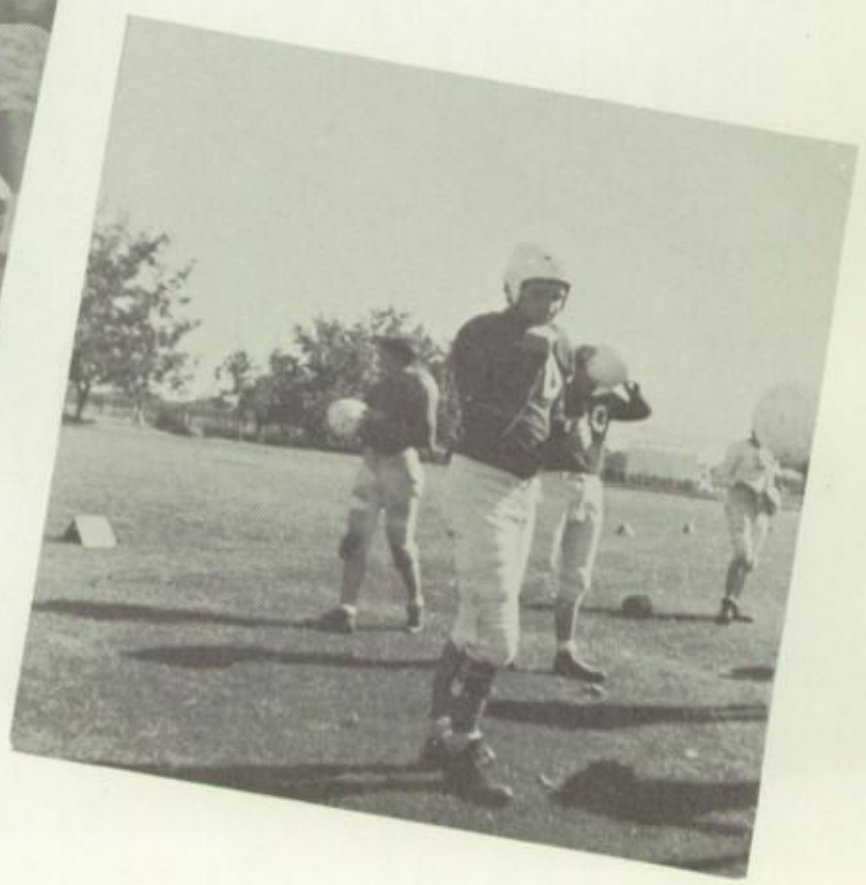
FOOTBALL SEASON SNAPS!



12922224

Mavis Hayward, Nelda Mackey, Dee Luce.

Cheer Leaders

This year, once again, the student body elected three cheerleaders. Nelda Mackey was unanimously elected as head cheerleader, partly due to the fact that she was one of the cheerleaders last year and thus had more experience.

Dee Luce and Mavis Hayward are both Freshmen and are very evenly matched.

They chose for their cheerleading outfits some very pretty red corduroy jumpers with white nylon blouses.

These girls have attended all our games and their fine spirits have encouraged our team to do its best at all times.

1292224

Back Row: Don Tankersley, Art Zumwalt, Gary Drexler, Jack Cushman, Glen Gillaspy, Don Zumwalt, Bill Lambert.
Front Row: Leon Griffin, Jerry Yarwood, Allen Bonnett, Don Campbell, Bud Hancock, Stanley Haselip.

Basketball

This year the basketball team did not play as many games as the team before them.

Due to lack of facilities they did not get much practice. However, the players made a good showing in the games they did play.

Glen Gillaspy

Back Row: Don Zumwalt, Jerry Yarwood, Allen Bonnett, LaVern Sutliff, Bernell Huttman, Jack Cushman, Richard Cushman, Glen Gillaspy, Leon Griffin, Bill Hayward.

Front Row: Kenneth Criner, Bruce Sutliff, Paul Griffin, Gary Drexler, Bud Hancock, Don Campbell, Art Zumwalt, Donald Tankersley, Larry Walkup, Stanley Haselip.

Baseball

For the last two years the Elks have been playing good baseball and have been winning a good percentage of the games.

Last year we lost some of our first stringers, however we have some good prospects this year.

Year before last the Elks took second place in league standing. Last year we tied for third place and this year we expect to do even better.

Our last year's lineup was as follows:

Bernell Huttman.....Pitcher
Keith Henry.....Catcher
Bud Lafferty.....1st Base
Richard Cushman.....2nd Base
Allen Bonnett.....3rd Base
Jerry White.....Shortstop
Jerry Yarwood.....Left Field
Gaylon Mackey.....Center Field
LaVern Sutliff.....Right Field

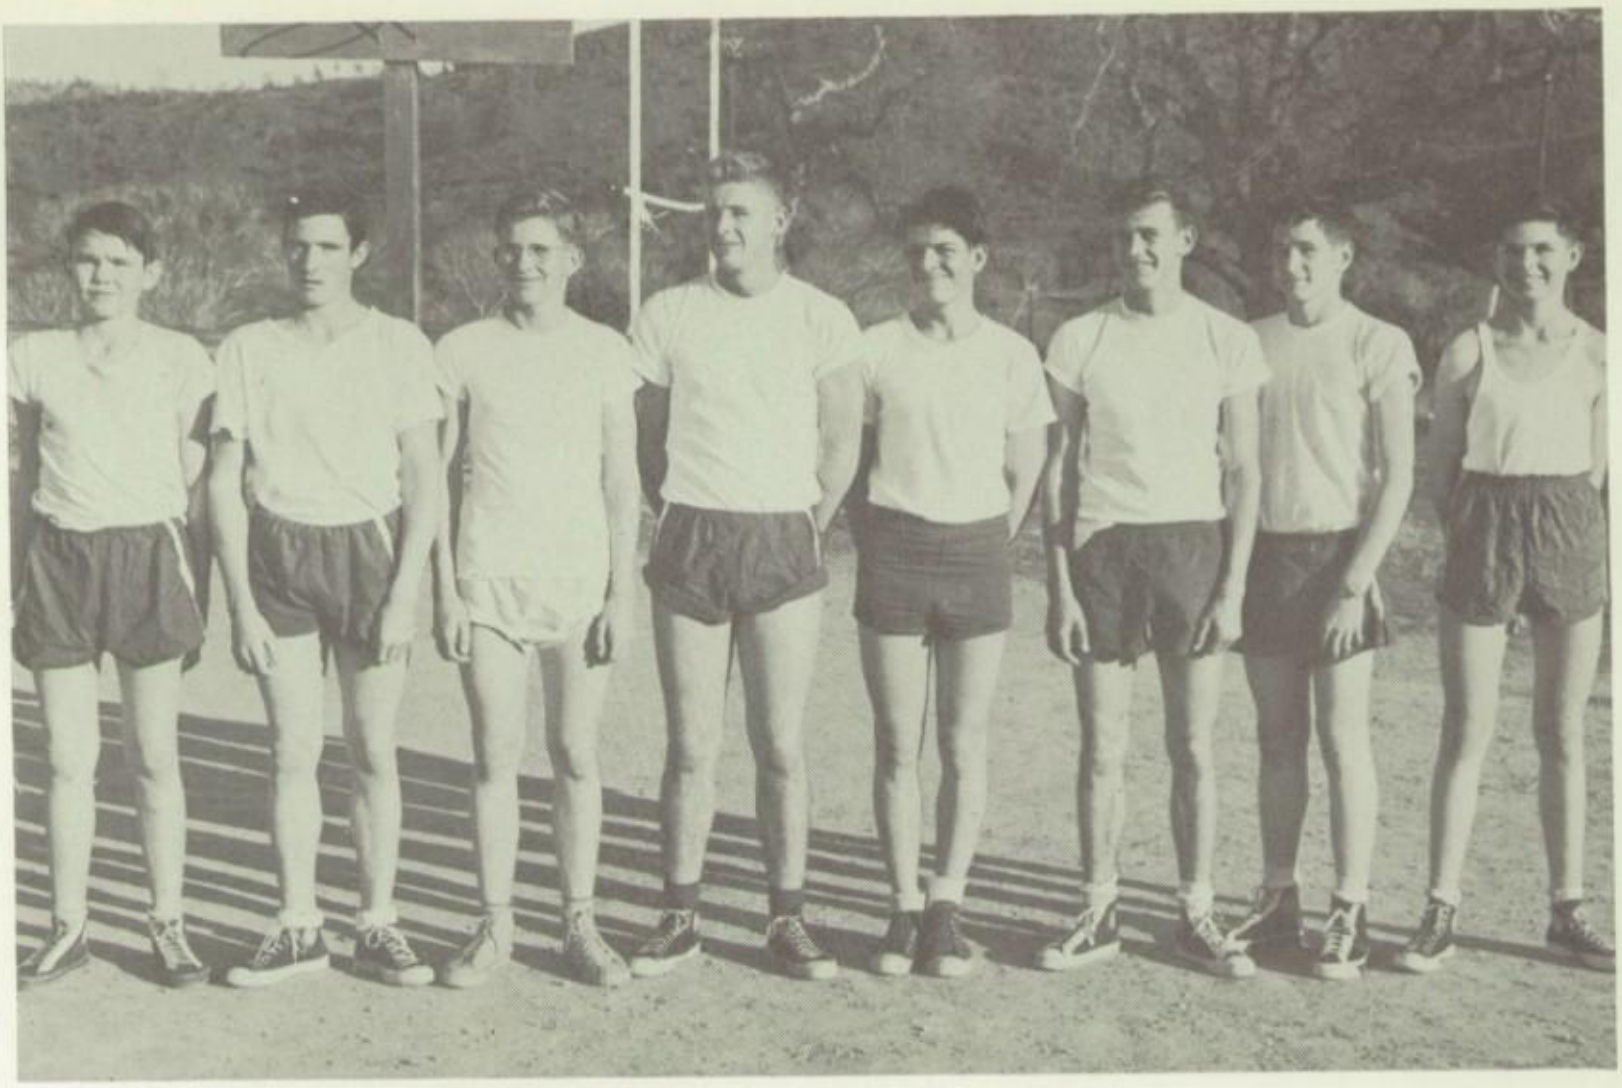
1292224



Track

This year's track turnout is considerably smaller than last year's. Only a few of last year's lettermen returned, but with practice the team should be fairly strong.

Last season the team participated in two track meets. The first was held at Princeton and the Elks won in all three classes.

The next meet was a league meet and only four members of the team participated. However, they managed to make four points, Jerry White taking a third place in the 220, and Glen Gillaspy a second in the 880. Bud Lafferty broke the Elk Creek High School record in the A shot put, but was unable to place in the strong competition. This year the team hopes to do better in the meet.

In Memoriam

To us fond memoires are so dear,
Of this old Model A, which is pictured here,
You can see for yourself, for years it's run true,
Went chuggin' along 'till the motor dropped through.

It's had some flat tires and once threw a rod,
Its breakdowns cost money, in fact by the wads,
The crank case leaks oil and the transmission whines,
But the lights and the horn are both working just fine.

We have taken some journeys in this Model A,
Which will long be remembered in a sentimental way,
To junk this old car would just be absurd,
Don't believe me? Ask the owner, Mr. Bill Hayward!
